[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019

To,

The Members,

GALA GLOBAL PRODUCTS LIMITED

(Formally known as Gala Print City Limited)

CIN: L22219GJ2010PLC063243

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/S. GALA GLOBAL PRODUCTS LIMITED** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **M/S. GALA GLOBAL PRODUCTS LIMITED** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31st March, 2019** complied with the statutory provisions listed hereunder *except the provision mentioned hereunder* and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/S. GALA GLOBAL PRODUCTS LIMITED** for the financial year ended on 31st March, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

- (d) The Securities and Exchange Board of India India (Share Based Employee Benefits) Regulations, 2014 **(Not applicable to the Company during the Audit period)**
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company during the Audit period)**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulation, 1993 regarding the Companies Act and dealing with the client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and **(Not applicable to the Company during the Audit period)**
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. **(Not applicable to the Company during the Audit period)**
- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board meetings and general meetings.
- ii. The Listing Agreements entered into by the Company with BSE Limited read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The management has identified and confirmed the following laws as specifically applicable to the company:

1. Environmental Protection Act, 1986.
2. Factories Act, 1948.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, wherever applicable subject to the following observation;

Company has appointed Ms. Avani Shah as an Additional Director of the Company under section 161(1) of Companies Act, 2013 in the Board Meeting held on 9th January, 2018. As per the said section, the tenure of Additional Director is upto the upcoming AGM that was held on 25th September, 2018. Members of the company can regularize the said Additional Director after passing Ordinary Resolution in the Annual General Meeting (AGM) and subject to compliance of Section 160 of Companies Act, 2013. However, Ms. Avani Shah has continued as an Additional Director of the Company even after the completion of AGM without necessary Compliance of Section 160 of Companies Act, 2013 and without passing Ordinary Resolution in the AGM.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, **except one board meeting** in which the shorter notice was given however company has complied with the provision of shorter notice as provided in Companies Act, 2013, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A) INDUSTRIAL STRUCTURE AND DEVELOPMENT

The growth of the print industry has been multi fold in the last decade. But as economy progress towards an era of digitalisation certain sectors of printing did see a decline. However, since our business is primarily educational printing it has been good for us and hoping it stays the same. The current economic fluctuations leading the rupee to hit its lowest against the dollar has made it very expensive and competitive purchasing and pricing in the printing business, as well as expansion plans, were affected due to high infrastructure and investment cost as our machinery purchases are directly proportioned with the fluctuations.

As a business strategy, the company is focusing on value-added print to give more bang for the buck for our customers. And company has decided to continue forward integration by merging stationery printing and manufacturing company during the previous year under review as a result of said amalgamation company's scope of business has been expanded. Further, it is going to result in added profitability in the business model of the company.

B) OPPORTUNITY AND THREAT

There are several opportunities like,

- increasing market budget,
- upgraded technology
- infrastructural availability

And some threats too in our industry which are,

- Green movement
- More marketing moving online
- Shrinking Print Industry
- Raising Postage and Material Cost incl. Paper Cost

C) SEGMENT WISE AND PRODUCT WISE PERFORMANCE

The Company operates within a solitary business segment i.e. printing of stationery items. Hence, Segment / Product wise report is not given separately.

D) OUTLOOK

The profit margins in the industry are under pressure since few years. However, the Company has taken remedial measures. The Company is confident to meet the challenges with its strength in marketing network, it's strategic planning, Research & Development productivity improvement and cost reduction exercise.

E) RISK AND CONCERN

The risk management function is integral to the company and its objectives include ensuring that critical risk is identified continuously, monitored and managed effectively in order to protect the company's business. As a result of the fragmented nature of the printing sector in the developed countries globally, the industry has been affected `big-time` by surplus capacity. This excess capacity has increased over the last few years, despite continued retrenchment of employment, closures and failures among small, medium and large sized companies the investments in the `new print manufacturers` (mainly digital) are exceptional high, due to low `overheads` and a higher return in a global trading environment. Again, this has led printers to strive for efficiency through cutting costs, resulting in redundancies and cuts in other business activities. But, utilisation of both expensive equipment and people are the major criteria.

The company is operating in highly competitive market. The management has already taken initiatives in advance for mitigating the above mentioned risk and concerns/challenges. The company has taken major initiatives like strong marketing efforts focus on cost reduction through inventory management techniques, introduction of new products and manufacturing process without compromising quality of products and retain talented employees etc.

F) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company places significant emphasis and efforts on the systems of Internal Control. The company had from time to time appointed team of highly experienced professionals to implement and upgrade existing internal control system.

G) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

For the current financial year the company has booked profit of Rs.337.95 Lacs which is increased approx. 79.80 Lacs as compared to last year. The two sectors of the Indian Printing Industry which are projected to grow the most in India are Packaged Printing and Published Printing. India is one of the few markets in the world which offers high prospects for growth and earning potential in printing industry. Competition in the domestic as well as international market has intensified and forced the players to adopt aggressive marketing strategy and promotional campaigns to capture and protect their market shares, The Company has the plans to penetrate better in to market, in addition to the customer retention and business development in the regions which have not been tapped, company is focusing on Various government and non-governments organisations for printing and stationery manufacturing related tenders to fully utilise it's production capacity. The EPS was recorded at 0.62 against 0.49 for previous financial year, which was higher compared to that of last year.

H) HUMAN RESOURCE

The employees (their knowledge, expertise, abilities, skill-sets, and experience) are valuable and intangible assets in securing the future of your company. Therefore your company believes and considers employees as its most valuable asset.

Your company has a well-organized HR department which ensures sourcing of best available talent, developing them for future leadership roles through career-development programs and a well-defined succession plan. It also facilitates an employee-oriented, productive workplace.

Our total work force of around 45 people consists of:

- (i) Our Permanent employees
- (ii) Labour Contractors and
- (iii) Consultants which are engaged by us on professional basis.

I) DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

There were no major changes in the key financial ratios i.e. change of 25% or more as compared to the immediately previous financial year hence details are not provided thereof.

J) DETAILS OF RETURN ON NET WORTH

As a result of increasing productivity return on net worth has increased to 0.124 as compared to 0.099 for the financial year ended 31.03.2018.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GALA GLOBAL PRODUCTS LIMITED

Report on the Ind AS Financial Statements

Opinion

We have audited the accompanying Financial Statements of **GALA GLOBAL PRODUCTS LIMITED** ("the Company"), which comprise the Balance Sheet as at **March 31, 2019**, and the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibility for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

Emphasis of Matter

We draw attention to the requirements of Ind AS-19 - Employee Benefits have not been complied with. Based on books of account and as per the explanations given by the management, the Company is in the process of finalization of structure for the employee benefits and hence, there were no employees who were eligible for the benefits yet. Accordingly, Employee Benefits have not been provided in the financial statement. As per the criteria defined by the Company, Our opinion is not modified in respect of this matter.

Other Matter

The Financial Statements of the Company for the year ended March 31, 2018, included in these financial statements, have been audited by the predecessor auditor who expressed a qualified opinion with respect to non-amortisation of Intangible Assets, on those financial statements on May 14, 2018.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GALA GLOBAL PRODUCTS LIMITED

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the Ind AS Financial Statements and our Auditor's Report thereon.

Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (IND AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GALA GLOBAL PRODUCTS LIMITED

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies(Auditor's Report) Order,2016("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section143(3)of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GALA GLOBAL PRODUCTS LIMITED

Annexure B referred to in Paragraph 2(f) on Report on Other Legal and Regulatory Requirements of Our Report of even date of Gala Global Products Limited for the year ended March 31, 2019

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GALA GLOBAL PRODUCTS LIMITED** ('the Company') as of March 31, 2019 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. The Guidance Note and those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial Controls over financials reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Ind AS Financial Statements and their operative effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion on the internal financial control system over financial reporting with reference to these Ind AS financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GALA GLOBAL PRODUCTS LIMITED

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial controls over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given by the management, the Company has, in all material respects, an adequate internal financial control system over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at March 31, 2019, based on the internal controls over financials reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

CORPORATE INFORMATION

GALA PRODUCTS LIMITED has been merged with GALA PRINT CITY LIMITED as per NCLT order dated 19th May, 2017 containing appointed date 1st April, 2016. The name of the Company has been changed from Gala Print City Limited to Gala Global Products Limited with effect from 18th August, 2017.

The financial statements were authorized for issue in accordance with a resolution passed in Board Meeting held on May 9, 2019.

SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation

The financial statements have been prepared and presented in accordance with the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These Ind AS financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- (i) Employee defined benefit assets/(liability) are recognised as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation;
- (ii) Long-term borrowings, except obligations under finance leases, are measured at amortized cost using the effective interest rate method;

(b) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Although these estimates are based on the management's best knowledge of the current events and actions, uncertainty about these assumption and estimates could result in the outcomes requiring a material adjustment to the carrying amount of the asset & liabilities in the future period.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

- Useful lives of property, plant and equipment and intangible assets {Refer 2(c)&(d)}
- Valuation of inventories { Refer 2(f) }
- Employee benefits { Refer 2(h) }
- Provisions, contingent liability and contingent assets { Refer 2(l) }
- Sales returns { Refer 2(g) }
- Evaluation of recoverability of deferred tax assets { Refer 2 (i) }

(c) Property, plant and equipment

Recognition and measurement

The items of property, plant and equipment are measured at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. The cost comprises of its purchase price and other incidental expenses that are directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognised in the statement of profit and loss as incurred.

Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is de-recognized.

Intangible Assets

Intangible assets initially recognized at cost and are subsequently carried at cost less accumulated amortisation and accumulated impairment losses. These costs are amortised to profit or loss using the straight line method over their estimated useful lives.

The Company has adopted Policy of reviewing the intangible in the year of recognition for possible returns. In case of the returns are not sustainable the intangible assets could be written off with in a period of 2-3 years. And if sustainable the same would be written off as provided under the applicable standard. Since the Company is required to adopt Ind-As compulsory with effect from 01st April 2018 and it has specifically defined in these forthcoming standards that any such Intangible Assets needs to be reviewed at each balance sheet date for any impairment (if any) whereas existing accounting standards require to amortize such intangibles compulsory within maximum of 5/10 years. Further the management foresee that there would not be any impairment requirement comparing to its carrying value as on 31 march 2018 (even in near future as well) and hence no amortization of intangible asset has been made in the period under report.

Depreciation

Depreciation is recognised on pro-rata basis in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment.

Type of Assets	Useful life in years
Building	30 years
Plant and Machineries	15 years
Furniture, Fixtures and Equipments	10 years
Computers	3 years
Vehicles	8 to 10 years
Mobile Phones	5 years

The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other non current assets. The cost of property, plant and equipment not ready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

(d) Impairment of Non Financial Assets

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years

Goodwill

CGUs to which goodwill has been allocated are tested for impairment annually or more frequently when there is indication for impairment. If the recoverable amount of a CGU is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit.

Determination of recoverable amount of CGU requires the management to estimate the future cash flows expected to arise and a suitable discount rate in order to calculate the present value. An impairment loss recognised for goodwill is not reversed in subsequent periods.

(e) Investments

Investments, which are readily realisable and intended to be held for not more than a year from the date on which such investments are made, are classified as current investments. All other investments are classified as Non-current investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

Non-current investments are carried at cost. Investments in share of foreign subsidiaries are reported in Indian Currency at the rate of exchange prevailing on the date of transaction. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying cost and net disposal proceeds is charged or credited to the statement of profit and loss.

(f) Inventories

- (i) Raw materials, Packing materials, fuel, stores and spares are valued at lower of cost and net realizable value. Cost includes Purchase Price and other directly attributable costs incidental thereto. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a weighted average basis.
- (ii) Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on a weighted average basis.
- (iii) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.
- (iv) Provision for diminution in value of inventories has been made for expired, obsolete, non-moving and slow-moving inventories as per the management's estimate.

(g) Revenue Recognition

Revenue is recognized to the extent that the economic benefits will flow to the Company and the revenue can be reliably measured regardless of when the payment is being made.

- (i) Revenue is measured at fair value of the consideration received or receivable. Revenue from sale of goods includes excise duty and are net of discounts, applicable taxes, rebates and estimated returns.

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods, recoverability of consideration is probable, the amount of revenue and cost incurred or to be incurred in respect of transaction can be measured reliably and there is no continuing managerial involvement over the goods sold.. The company collects GST (01.07.17 to 31.03.2019) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

- (ii) Income from services is recognized when the services are rendered or based on stage of completion.
- (iii) Interest income is accounted on accrual basis at applicable rate.
- (iv) Other incomes are accounted as and when the right to receive arises.

(h) Employees retirement and other benefits

Retirement/ Post retirement Benefits: The Company has not made any provision for gratuity and leave encashment as prescribed by the Indian Accounting Standard (IndAS) – 19 on Employee Benefits. Please refer Note 28.

(i) Income Taxes

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively.

Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction are not recognized.

Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

In respect of taxable temporary differences associated with investments in subsidiaries, associates and interest in jointly controlled entities, when the timing of reversal of temporary differences can be controlled and it is probable that temporary differences will reverse in foreseeable future.

Deferred tax assets and liabilities are offset when the Company has a legally enforceable right to do the same.

MAT credit is recognized as an asset only when there is convincing evidence that the company will pay normal income tax within specified period. The assets are reviewed at each balance sheet date

(j) Earnings Per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors. Basic earnings per share is computed by dividing profit or loss attributable to equity share holders of Group by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is determined by the adjusting profit or loss attributable to ordinary shareholders and weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

(k) Cash and cash equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Group's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

(l) Provisions, contingent liabilities and contingent assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources for which reliable estimate can be made. The expenses related to provision is presented in P&L net of any reimbursement.

Liabilities which are of a contingent nature are not provided but are disclosed at their estimated amount in the notes forming part of the financial statements. Contingent assets are neither recognized nor disclosed in the financial statements.

Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

(m) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

(n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(o) Operating Cycle and Current/Non-current classification

Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/non-current classification of assets and liabilities.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.
